

**COST Action CA23111: "Searching for Nanostructured or pOre fOrming Peptides for therapY"**

**Dissemination and Reporting Guidelines – Grants**

- Grant awardees should include the SNOOPY & COST logos on slides and posters; they can be downloaded from: <https://cost-snoopy.eu/visual-identity/>
- COST Action CA23111 **must be acknowledged** as shown at this [link](#), by including its full title and grant number in all publications, presentations, and communication materials. In particular, the following text should be included in publications: *"This article/publication is based upon work from COST Action CA23111, supported by COST (European Cooperation in Science and Technology)."*
- To promote the Action, grantees are encouraged to share project updates, events, and outcomes via institutional websites and social media, tagging the Action's official channels ([LinkedIn](#), [Instagram](#), and Bluesky @snoopy-costaction.bsky.social)
- All reports should be uploaded to e-COST
- To ensure smooth and timely payment of your award, please include your banking details and home address in the report. These details will be treated with strict confidentiality and handled in accordance with privacy regulations.
- For dissemination after the grant mobility, please include a copy of published/presented materials (e.g. publications, abstracts, power point slides or poster pdfs) in the reports (excluding any potentially sensitive information related to privacy or intellectual property rights)
- Grantees are encouraged to send photos alongside their report (to be either sent by email or uploaded with the report), preferably of the awardee while presenting, or during lab work; alternatively, official conference photos, or photos from conference banners/slides can be sent. Any private photos during off-duty or social activities are also welcome, if appropriate. While the awardee's consent is presumed for the use of these photographs for dissemination, any other person that may appear visible must have given explicit consent.

If you have any questions please contact Christian Gruber, Grant Awarding Coordinator or Daniela Kalafatović, Action Chair!

*Disclaimer:* Reports will not be distributed to the public; however, the scientific aspects of the reports, or the headers of poster or presentations, including title and authors/presenters, and/or the acknowledgment sections may be used for dissemination of our Action.
